

WILDEBERG

TERROIRS SAUVIGNON BLANC

STELLENBOSCH REGION

WHAT'S THE STORY?

Wildeberg is our small farm in Franschhoek. Wildeberg Terroirs is an expression of the most exciting vineyard blocks we work with in the wider Coastal Region. This is a release of a Sauvignon Blanc from the steep slopes of the Simonsberg.

PRODUCTION

From older vines that cling to Simonsberg in the tiny, mountainous ward of Banhoek within Stellenbosch. Dry grown vines grow thin and weedy on these vertiginous slopes. The fruit is hand-picked, crushed then fermented at Wildeberg. Location, location, location. That is the magic. Difficult soils, difficult site, interesting story.

TASTING NOTE

A wave of rich tropical, leafy notes on the nose sway to a broad palate of tight lime-leaf, bay and silky texture with a super-bright, naturally acid finish.

FOOD MATCH

Delicious with brightly-flavoured seafood dishes, Thai salads, citrus dressings, or indeed by the glass on its own.
